

Skill Arena - Phase 1 Part 2

Progression, Leagues, ELO & Matchmaking Specification

Chapter 5 - Progression Framework

The platform uses five progression systems: 1. XP Level 2. Skill Rating (ELO) 3. League Rank 4. House Reputation 5. Legacy Points These systems are independent and serve different purposes.

XP Level System

XP Levels never reset and have no cap. XP Sources: - Complete Match - PvP Victory - House Challenge Success - Tournament Participation - Seasonal Achievements Players continue progressing indefinitely.

Prestige System

After reaching milestone levels, players unlock Prestige. Example: Prestige I Prestige II Prestige III Prestige has no upper limit. Prestige is permanent and never resets.

Legacy Points

Legacy Points represent lifetime contribution to the ecosystem. Legacy Points are earned from: - Seasonal Participation - Tournament Success - House Challenge Success - PvP Activity Legacy Points never reset.

House Reputation

Separate ranking system for House Challenges. House Reputation earned from: - Bronze House Wins - Silver House Wins - Gold House Wins - Diamond House Wins Used for House Challenge leaderboards.

League Structure

Bronze Silver Gold Platinum Diamond Master Grandmaster Dynamic High Roller Arenas created above Grandmaster. League progression based on: - Skill Rating - Activity - Performance

League Entry Fees

Bronze = 2 Tokens Silver = 5 Tokens Gold = 10 Tokens Platinum = 25 Tokens Diamond = 50 Tokens Master = 100 Tokens Grandmaster = 250 Tokens High Roller Arenas generated dynamically.

Skill Rating (ELO)

Every player starts with a base rating. Winning increases rating. Losing decreases rating. Defeating stronger opponents grants larger gains. Losing to weaker opponents creates larger losses. Skill Rating is the primary matchmaking metric.

Matchmaking Engine

Priority Order: 1. Skill Rating 2. Difficulty Completed 3. Win Rate 4. Current League 5. Wallet Range System searches for the closest suitable opponent.

Cross-League Challenges

Players may challenge higher leagues. Warning displayed before challenge. Maximum recommended challenge range: Two leagues above current league. Underdog Bonus awarded for defeating stronger opponents.

Seasonal Ranking

Season Rankings use Season Points (SP). SP Sources: - PvP Wins - House Wins - Tournament Results - Seasonal Objectives Season Rankings reset every season.

Infinite Progression Principle

There is no maximum: - XP Level - Prestige - Legacy Points - House Reputation Players should always have another goal to pursue.
