

Skill Arena - Phase 1 Part 6

Tournament System, Championships & Qualification Specification

Chapter 9 - Tournament Philosophy

Tournaments are designed to create structured competition, increase player engagement and provide prestige-based progression. Tournament rewards must always be treasury-backed and sustainable.

Tournament Types

1. Daily Tournaments 2. Weekly Tournaments 3. Monthly Championships 4. Seasonal Championships 5. World Championships Each tier increases prestige, difficulty and reward potential.

Daily Tournaments

Purpose: Frequent competition. Entry Fee: Default 5 Tokens. Duration: 24 Hours. Rewards scale according to participation.

Weekly Tournaments

Purpose: Mid-level competition. Entry Fee: Default 25 Tokens. Duration: 7 Days. Higher rewards and prestige than Daily Tournaments.

Monthly Championships

Purpose: Elite competition. Entry Fee: Default 100 Tokens. Duration: 1 Month. Provides significant rewards and recognition.

Seasonal Championships

Only qualified players may enter. Qualification based on: - Season Ranking - Tournament Performance - Seasonal Points Represents the highest competitive tier of the season.

World Championships

World Championships are qualification-only events. May only launch when platform growth, treasury reserves and player population support sustainable operation. Reserved for top players globally.

Tournament Formats

Supported formats: - Single Elimination - Double Elimination - Swiss Format - League Format Format chosen based on event type.

Qualification Rules

Qualification may require: - Minimum XP Level - League Rank - Skill Rating - Seasonal Ranking - Tournament Performance Requirements determined per event.

Bracket Generation

Brackets generated server-side. Bracket generation considers: - Skill Rating - Seeding - Qualification Status Client never controls bracket creation.

Prize Pool Distribution

Prize pools funded by: - Entry Fees - Tournament Allocations - Season Funds - Platform Sponsored Events Prize pools scale dynamically.

Prize Allocation Rules

Example Allocation: 1st Place 2nd Place 3rd Place Top 10 Participation Rewards Distribution percentages determined by tournament type.

Tournament Revenue Allocation

Tournament entries may be allocated: - Prize Pool - Platform Revenue - Season Fund All allocations must be auditable.

Tournament Replays

Every tournament match recorded. Replay access includes: - Participants - Administrators - Auditors Tournament integrity depends on replay verification.

Spectator Framework

Future support: - Live Viewing - Tournament Streams - Championship Broadcasts - Replay Library Spectator systems must not expose solution paths.

Tournament Anti-Cheat

Monitor: - Match Fixing - Smurfing - Collusion - Botting - Suspicious Win Patterns Flagged events reviewed by administrators.

Championship Recognition

Championship winners may receive: - Titles - Hall Of Fame Entry - Trophies - Badges - Cosmetic Rewards - Treasury-Backed Prize Rewards

Sustainability Rules

No tournament may: - Exceed Treasury Limits - Promise Unfunded Rewards - Create Excessive Liability Treasury protection overrides tournament creation.

Server Authority

Server controls: - Brackets - Qualification - Results - Rewards - Replays - Rankings Client receives display data only.
