

Skill Arena - Phase 2 Document 6

Tournament Center, Championships, Qualification System & Spectator Experience

Document Purpose

Define tournament discovery, registration, qualification, championship participation, brackets, rewards and spectator experiences.

Business Objectives

Create a competitive ecosystem that drives engagement, retention, prestige and seasonal participation.

Primary Screens

TOURNAMENT_CENTER_001, TOURNAMENT_DETAILS_001, REGISTRATION_001, BRACKETS_001, CHAMPIONSHIP_001, SPECTATOR_001.

Tournament Center Overview

Central location for all competitive events, championships and seasonal competitions.

Tournament Categories

Daily Tournaments, Weekly Tournaments, Monthly Championships, Seasonal Championships and World Championships.

Tournament Browser

Displays event name, start date, entry fee, qualification requirements, player count and prize pool.

Featured Events Section

Highlights major championships and limited-time events.

Qualification System

Players must meet eligibility requirements before registration.

Qualification Requirements

XP Level, League Rank, ELO Rating, Season Points, House Reputation or previous tournament performance.

Registration Workflow

Tournament Center → Event Details → Eligibility Check → Confirm Registration → Registration Complete.

Tournament Details Screen

Displays rules, format, prize structure, schedule, requirements and participant information.

Tournament Formats

Single Elimination, Double Elimination, Swiss System and League Formats.

Bracket System

Server-generated brackets based on qualification and seeding logic.

Bracket Display

Matchups, progression path, round status, player information and results.

Championship Center

Dedicated interface for elite seasonal and world championship events.

Prize Pool Display

Prize pool, reward distribution, participant count and payout structure.

Reward Presentation

Tokens, trophies, badges, titles, hall of fame entries and future rewards.

Live Tournament Tracking

Current round, active matches, upcoming matches and player progression.

Spectator Experience

View championship events, tournament progress, standings and featured matches.

Spectator Restrictions

No solution paths, hidden challenge details and anti-copying safeguards.

Tournament Replays

Replay access for completed matches, championship runs and historical events.

Leaderboards Integration

Tournament results automatically update seasonal and lifetime rankings.

Security Requirements

Registration validation, bracket generation and results processing occur server-side.

Fraud Prevention

Detect collusion, match fixing, smurfing, account sharing and suspicious tournament behaviour.

Audit Requirements

All registrations, bracket changes, rewards and outcomes permanently logged.

Mobile Requirements

Tournament registration, standings, brackets and spectator features supported on mobile.

Acceptance Criteria

Players can discover, register, compete and review tournaments without assistance.
